No. 610-P.M.

New Delhi
August 10,1953.

My dear Maharaja Saheb,

Your letter of June 23rd was passed on to me by K.C.Reddy only two days ago. With it he sent the key manuscript of your book as revised. Evidently, he had been reading this manuscript.

You will remember sending me the earlier copy of the type-script which I had got examined in my Ministry and a note on it was sent to you.

I am sure your book will be welcomed by those who are interested in the important problem of Indo-African relations and will be useful in our understanding this problem. I am greatly interested in this matter and I think that it is very necessary that people in India should understand the problems of Africa and the ferment that is exercising the minds of millions of people.

With all good wishes,

Yours sincerely,
JAWAHARLAL NEHRU

His Highness
Maharaja Shri Jayachamaraja Wadiyar
Bahadur, GCB, GCSI,
Maharaja of Mysore
The Palace,
MYSORE.
